

Abbey Infant School

What is the PE and Sport Premium?

The Government provides additional funding to primary schools through the PE and Sport Premium to improve the quality of physical education, physical activity and sport for all children.

At Abbey Infants' School, we are committed to providing a wide range of opportunities for children to be active, develop physical competence and enjoy participation in sport. Our aim is to ensure that every child develops the confidence, knowledge and motivation to lead a healthy and active lifestyle.

During 2025-2026, funding was used to develop staff expertise, improve resources, increase participation and provide inclusive opportunities for all pupils, including children with SEND and disadvantaged pupils. The school received **£17,800** in PE and Sport Premium funding.

How We Used Our PE and Sport Premium Funding

Key Indicator 1

Increased confidence, knowledge and skills of all staff in teaching PE and sport

A significant proportion of the funding was invested in professional development for teachers and support staff. Staff participated in specialist PE training across a range of sporting activities and received dance CPD to strengthen curriculum provision and improve confidence in delivering high-quality PE lessons.

By investing in staff development, the school has ensured that improvements are sustainable and continue to benefit pupils in future years.

Impact

- Increased staff confidence in teaching PE and dance.
- Improved subject knowledge and lesson quality.
- Greater consistency in PE provision across school.
- Enhanced ability to adapt activities to meet the needs of all learners.

- Sustainable improvements through upskilling school staff rather than relying solely on external providers.

Key Indicator 2

Engagement of all pupils in regular physical activity

Funding has been used to purchase additional equipment and resources to encourage active participation during PE lessons, playtimes and wider school activities.

Particular attention has been given to ensuring that children with SEND can access physical activity successfully through the purchase of specialised and adapted equipment where appropriate.

Impact

- Increased levels of participation in physical activity.
- Improved engagement during PE lessons and active play.
- Greater opportunities for all pupils to experience success.
- Reduced barriers for pupils who require additional support to participate.
- Improved inclusion and enjoyment of physical activity.

Key Indicator 3

Raising the profile of PE and sport across the school

The school has continued to promote physical activity as an important part of school life through specialist coaching, high-quality PE experiences and opportunities for children to engage in a variety of activities.

The use of external sports specialists has helped to provide exciting experiences that raise the status of PE and encourage positive attitudes towards being active.

Impact

- Physical activity remains a valued part of the curriculum.
- Increased enthusiasm for PE and school sport.
- Children demonstrate positive attitudes towards participation.
- Greater awareness of healthy and active lifestyles.

Key Indicator 4

Broader range of sports and activities offered to all pupils

Funding supported specialist coaching and staff training across a variety of sports and physical activities, including dance. This has enabled children to experience a wider range of activities than would otherwise be possible.

Providing a variety of activities helps children discover new interests, develop confidence and engage in lifelong physical activity.

Impact

- Broadened sporting experiences for pupils.
- Increased participation among different groups of children.
- Greater enjoyment and engagement in PE lessons.
- Improved opportunities for pupils to develop new skills.

Key Indicator 5

Increased participation in competitive sport

The school continued to provide opportunities for children to participate in sporting events and activities through partnership working and external providers. Funding also supported membership subscriptions that enabled access to wider sporting opportunities.

Impact

- Increased opportunities to represent the school.
- Improved confidence and resilience through participation.
- Development of teamwork, cooperation and sportsmanship.
- Enhanced enjoyment and engagement in school sport.

Supporting Inclusion

A key priority for Abbey Infants' School has been ensuring that all children can access and enjoy physical activity.

Some equipment purchased through the PE and Sport Premium was specifically selected to support children with SEND. Staff training has also enhanced adults' ability

to adapt activities and remove barriers to participation. As a result, more pupils have been able to engage fully in PE lessons and wider physical activities.

The school has also used funding to support participation by disadvantaged pupils and increase engagement in physical activity among girls.

Sustainability

Our spending has focused not only on immediate improvements but on creating long-term impact. By investing heavily in staff training and professional development, we are ensuring that the knowledge, skills and confidence gained remain within the school and continue to benefit future cohorts of pupils.

We will continue to build upon these developments during 2026-2027 by:

- Further developing staff expertise.
- Expanding opportunities for physical activity.
- Enhancing inclusive provision for pupils with SEND.
- Maintaining high-quality equipment and resources.
- Encouraging lifelong participation in sport and physical activity.

Reporting primary PE and sport premium grant expenditure for academic year 2025 to 2026

Submission Status : **NOT SUBMITTED**

2026-09-24, 09:58 AM

You must submit your online form before closing your browser window.

UKPRN	10034923
Provider Name	Abbey Infants' School

1. Funding grant

Total PE and Sport premium for 2025 to 2026	£ 17,800
---	----------

Is the total amount for PE and sport premium grant for academic year 2025 to 2026 correct?	Yes
--	-----

Did you have any unspent PE and sport premium grant remaining at the end of academic year 2025 to 2026?	No
---	----

2. Grant spending

Has your school spent any of its PE and sport premium grant on CPD in academic year 2025 to 2026?	Yes
---	-----

How much has your school spent on CPD for academic year 2025 to 2026?	£ 6,937.5
---	-----------

How much has your school spent on CPD upskilling staff to deliver swimming lessons for academic year 2025 to 2026?	£ 0
--	-----

How much has your school spent extra-curricular opportunities for academic year 2025 to 2026?	£ 1,000
---	---------

How much has your school spent on	£ 2,000
-----------------------------------	---------

equipment and resources for academic year 2025 to 2026?

How much has your school spent on membership and subscription fees for academic year 2025 to 2026?	£ 1,000
--	---------

How much has your school spent on activities organised by the SGO network for academic year 2025 to 2026?	£ 0
---	-----

How much has your school spent on entering external school sports competitions for academic year 2025 to 2026?	£ 0
--	-----

How much has your school spent on external coaching staff for academic year 2025 to 2026?	£ 6,862.5
---	-----------

Has your school targeted any spending to provide or improve opportunities in PE, sport and physical activities for pupils with SEND for academic year 2025 to 2026?	Yes
---	-----

Has your school targeted any spending to provide or improve opportunities in PE, sport and physical activities for pupils with long-term medical conditions for academic year 2025 to 2026?	No
---	----

Has your school targeted any spending to increase or improve girls' access to PE lessons or access to extra-curricular sport and physical activities for academic year 2025 to 2026?	Yes
--	-----

Has your school targeted any spending to provide or improve opportunities in sport and physical activities for disadvantaged pupils for academic year 2025 to 2026?	Yes
---	-----

3. New PE and School Sport Partnerships Network

What targeted support from the new PE and School Sport Partnerships Network would be of most benefit to your school for academic 2026 to 2027?	c. Extra-curricular opportunities , d. Equipment and resources , e. Membership and subscription fees, f. School Games Organisers (SGO) associated costs, h. External coaching and specialists
